Parents/guardians will be informed of the date at least one week in advance.

Those seeking admission to our Kindergarten 1 -3 must have had their third birthday on or before August 31 of the year in which they will start school. Children entering from other schools/nurseries, must present satisfactory previous school reports and other relevant documentation.

After submitting the relevant application documents, parents/guardians, along with the student, will be invited to an in-person interview and observation day, preceding the admission date.
